

PAINTING HOLIDAYS & CREATIVE RETREATS
IN THE FRENCH PYRÉNÉES

ATELIER CLOS MIRABEL

THE DOMAINE

Clos Mirabel is a beautiful fifteen-acre estate between coast and mountains. Its 18th century Manor House is set in private parkland amidst the gentle hills of Jurançon with magnificent uninterrupted views out over vineyards to the Pyrénées.

A haven of peace, ever changing light and tranquillity, it is the perfect location for painting holidays and creative retreats.

The picturesque 18th century Manor House provides a unique focal point to your Painting Holiday or Creative Retreat. All meals are served in the dining rooms or on the south facing terrace.

THE MANOR

THE LIVING AREAS

The Manor House retains its old world charm and offers two large salons and a dining room to relax and share time together.

THE GROUNDS

Everyone can enjoy 14 acres of parkland at their leisure, relax in the shade of our oak trees and admire the magnificent uninterrupted views of the entire chain of the Pyrénées Atlantiques.

THE POOL

The large mosaic pool, partly heated by solar panels, is available to all guests from mid-May to mid-October.

THE STUDIO SPACE

ATELIER.CLOS-MIRABEL.COM

Located on the first floor of the Winery, this studio space was designed by our Italian architect. It offers a spacious open plan layout of 55 m2 ideal for small groups of up to 12. The Loft Studio, full of natural light, looks out on to the Manor House and its open courtyard. The studio is available at all times during your stay.

ACCOMMODATION

Our bedrooms have been carefully renovated and skilfully decorated. They are all equipped with WIFI. All bedrooms in the Manor House have air conditioning. Other bedrooms in the Winery have fans.

Our rooms are individually priced.
We can offer single or double

FOOD & DRINK

At Clos Mirabel, food is one of our passions. Everything is home-made with great attention to detail and when possible with produce from our own garden. We serve selected wines and beers from local producers. Special diets can be catered for upon request.

THE GARDEN

Our permaculture garden provides an abundance of vegetables and fruit. The seasonality of our produce guides our daily menus.

A DAY OUT PAINTING IN THE PYRENEES

The Ossau Valley offers stunning views and perspectives as far as Laruns and the Pic du Midi d'Ossau. The picturesque village of Castet, crowned by its beautiful little church and cemetery, sits overlooking the valley and the lake. From this vantage point, the open view is unique.

Where relevant to a course tutors have the option to include this excursion in the week's itinerary.

Clos Mirabel is located only 12 mins drive from central Pau and 5 mins drive from the local village of Jurançon.
